

## TONER FOR USE IN

Brother HL-L5000D, L5100D, L5200,  
L6200, L6250, L6300, L6400

DCP-L5500DN, L6600DN

MFC-L5700, L5750, L6800, L6900

(type TN-820, 850, 880, TN-3430, 3512, 3480, 3520)

The Brother HL-5300 series monochrome Laserprinter and related DCP/MFC-series MFP's deliver high quality documents efficiently at up to 40ppm, respectively 42ppm and 1200x1220 dpi. The devices are made for offices and small workgroups and operate with different replacement toner cartridges for different yields.

The new DCP/MFC-series multifunction devices are a great solution and offer flexible paper handling with up to 250-sheet capacity paper tray, a 50-sheet capacity multi-purpose tray and optional trays to increase total capacity to 1340 sheets. Multiple workgroups can operate these devices simultaneously (ex. Printing and scanning at the same time) without experiencing slow-downs and advanced security features ensure protection to unauthorized access to these devices.

Printing-cost of all of these devices can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible bulk-toner (made in Japan) which is deliverable in cartons of 2x10kgs and drums of 80kgs.

### ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Sourced directly from the manufacturer
- Technically supported by the toner manufacturer.
- Competitively priced premium quality product
- Deliverable from Warehouse in Rotterdam/Netherlands
- Free of charge samples for testing
- Selective distribution through competent reseller only
