## Toner for use in

Konica Minolta Bizhub 552, 552DS, 652,  
652DS (TN-618)

Develop Ineo 502, 552, 602, 652

With the Bizhub 552 and 652 high-speed black & white Multifunctionals Konica Minolta has introduced two fast and powerful devices for volume intensive departments where extensive colour scanning features and professional finishing versatility are required.

The Bizhub 552 and 652 provide high b/w output speeds of 55 or 65ppm and enhance existing output fleets with perfect high-volume b/w printing quality and capabilities in A4 and A3 format. Equipped with efficient software applications both devices help to save time and reduce overall cost. Their wide range of professional finishing options makes these two MFPs ideal output devices for a wide variety of documents.

Printing-cost of these machines however can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in USA and bottled in Taiwan) which is also compatible with the equivalent Develop brand machines.

## Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Universal cartridge also for use in equivalent Develop machines.
- ▶ Sourced directly from the manufacturer.
- ▶ Toner and Carrier also in carton of 10kgs available for (Re-)Filling.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse in Rotterdam/Netherlands.
- ▶ Free of charge samples for testing.
- ▶ Selective distribution through competent reseller only.
