Toner for use in

Konica Minolta Bizhub C6000, C6000L, C7000, C7000P, C70HC (TN-616, TN-617)

Central reprographic departments and print providers welcome the highly productive Konica Minolta Bizhub PRESS C6000, C7000 and C70HC colour machines that combine high-speed colour print production with an extensive range of professional integrated finishing facilities and printing speeds up to 60ppm, respectively 71ppm at 1200 x 1200 dpi x 8 bit print resolution.

These high-volume production type machines are made to provide close-to-offset quality prints and process paper formats from A5 to A3 and weights ranging from 64 to 300 grams through the regular paper feeders and bypass tray.

Printing-cost of these devices can be reduced significantly without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible colour-toner which is deliverable as finished product in cartridges or in bulk for re-filling of empty OEM cartridges.

Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Sourced directly from the manufacturer.
- ▶ Toner also in carton of 10kgs available for (Re-)Filling.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse in Rotterdam.
- ▶ Discounted samples for testing.
- ▶ Selective distribution through competent reseller only.
