

# NEW

## Toner for use in Kyocera-Mita KM-3050, 4050, 5050 (TK-715)

Two simple principles underpin the new monochrome Kyocera-Mita KM-3050, 4050 and 5050 monochrome multifunctional document handling systems with A3 capability. The first is that for technology to be useful it has to be easy to use. The second is that any mechanical device has to cope effortlessly with constant use. These three simply to operate and with long-life components equipped multifunctionals meet these requirements perfectly.

With printing speeds of 30/20ppm (KM-3050), respectively 40/23ppm (KM-4050) and 50/26ppm (KM-5050) in A4/A3-format these machines are ideal for mid-sized companies, departments, branch offices and workgroups. With their compact and modular design, their user-friendly operation as well as short warm-up time and time to first copy these devices are the ideal and cost-effective document solution.

With its new compatible toner for KM-3050, 4050, 5050 CROSS Imaging Supplies is offering a premium quality toner to significantly reduce print costs of these three multifunctionals without compromising on image quality, performance or reliability.

## Advantages & Benefits

- ▶ OEM equivalent performance and image quality.
- ▶ Successfully tested over 500 000 copies.
- ▶ Significant reduction of cost per copy price.
- ▶ Soon also in Utax, TA and Olivetti version cartridges.
- ▶ Also as bulk toner available for local filling.
- ▶ Competitively priced product.
- ▶ Deliverable from Rotterdam Warehouse.
- ▶ Selective distribution through competent reseller only.
- ▶ Technically supported by the toner manufacturer.
- ▶ Free samples for testing purposes.

## Technical Features

Features	Kyocera-Mita (OEM)	CROSS
Part number	1T02GR0EU0 (TK-715)	PY427Y.190
Toner content/cartridge	1 x 1900 grams, net (+ accessories)	1 x 1900 grams, net (+ accessories)
Yield/cartridge at 5 % coverage	34 000 pages	34 000 pages
