

NEW Universal Toner

Cartridge for use in Kyocera-Mita

FS-1018MFP...1020D (TK-18), KM-1500 (TK-100)

The fast 18ppm print and copy speed and full colour scanning capability are unique to the versatile FS-1018 and 1018MFP Multi-Function devices for cost efficient professional printing at 1200 dpi high resolution while the FS-1020D represents a compact and highly efficient A4 desktop laser printer with duplex functionality and 20 ppm printing speed. It's powerful controller and lowest cost per print in this class makes this device even more appealing.

For those who like a reliable copier Kyocera-Mita offers with the KM-1500 a compact high-quality digital copier for cost-effective and convenient scanning/copying/printing at 15ppm. All devices are equipped with long-life drums and components that increase reliability. For all of these devices CROSS is offering a new-built universal toner cartridge for OEM equivalent performance at substantially lower cost. This toner is therefore not only enlarging CROSS's range of premium quality toner for use in Kyocera-Mita copiers/printers but also provides to distributors and dealers an excellent business opportunity without compromising on quality.

Advantages & Benefits

- ▶ OEM equivalent performance and image quality.
