## Toner for use in Konica 7022, 7122, 7130, 7222, 7228 (TN-301K)

The 7022 Workgroup Document System is part of a two years ago introduced series of machines that have been reworked by Konica from the bottom – setting a new standart in technology for workgroup applications.

Convenience, practicality and affordability are what the Konica 7022 and other machines of the same series are all about. The Konica 7022, 7122, 7130, 7222 and 7228 are full networkable devices with printing speeds from 22 to 30 pages per minute offering all options such as copier/printer/fax/scanner.

As all of these five well populated machines are using the same toner CROSS Imaging Supplies's compatible premium quality toner is a great opportunity and an efficient way to reduce printing cost of these solid devices significantly without compromising on quality.
