Toner for use in Konica 7145 (TN-401K)

Combining the performance of a productive duplex printer with scan, e-mail, fax and digital copier functionalities, the Konica Minolta 7145 focuses fully on multifunctional applications. This compact and productive 45ppm printing system brings impressive flexibility and user comfort to busy departments and offices, but only asks for a minimum of space.

With its extensive paper capacity and its generous selection of finishing options the 7145 is superbly equipped to manage any document communication or production task, from the quick-in-betweenprint or copy to larger volumes and longer print runs.

The 7145 represents an excellent "all-in-one" solution by saving valuable office space and avoiding unnecessary investments for other equipment. By using CROSS Imaging Supplies's compatible toner savings can be enlarged even further without compromising on quality.
