## Toner for use in Konica Minolta Bizhub 350 (TN-311)

The new Konica Minolta Bizhub 350 black and white multifunctional system has the power to output documents faster and distribute information faster and in more directions. By adding various input/output options this machine can be customized to your workflow.

The device provides 36ppm output with workhorse reliability and duty cycles of 150 000 pages. That makes it an ideal printing and document handling system for mid-sized companies, workgroups, branch offices and growing printing/copying needs. Due to its reliability and solid design this machine is not only been used in developed markets but also in various emerging markets.

With its new compatible toner for use in the Konica Minolta Bizhub 350 machine CROSS Imaging Supplies is offering a way to significantly reduce print costs without compromising on image quality, performance or reliability.
