## Toner for use in

### Kyocera-Mita FS-1030, 1030MFP, 1130, 1130MFP (type TK-1130)

The FS-1030, 1130 printer and their multifunctional versions are compact A4 monochrome devices that will increase productivity of any office work group with print- and copy-speeds of up to 30 ppm and a fast time to first print of less than 7 seconds.

Both multifunctionals are featuring a large capacity document processor that scans double-sided originals for enhanced document workflow. Print, copy, scan and fax are standard functionalities of the 1030MFP and 1130MFP. When it comes to printing cost and durability these printer/MFP's are relatively cheap to operate and very reliable as the drum-unit is supposed to last for the lifetime of the printer/MFP.

Printing-cost of these machines however can be further reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in Japan) which is also compatible with the equivalent UTAX machines.

## Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Patent-Free cartridge with or without RF-Chip.
- ▶ Sourced directly from the manufacturer.
- ▶ Also as bulk toner available for local filling.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse near Stuttgart/Germany.
- ▶ Free of charge samples for testing.
- ▶ Selective distribution through competent reseller only.

## Technical Features

Features	Kyocera-Mita (OEM)	CROSS
Part number	1TO2MJ0NL0 (EU-Version)	PY439Y.130
Toner content/cartridge	1 x 130 grams net, incl. RF-Chip	1 x 130 grams net, with or without RF-Chip
Yield/cartridge at 5% coverage	3 000 pages	3 000 pages
