## Universal Toner

Cartridge for use in Brother HL-1030...  
1270N, 1440...5130, MFC-9650...9880

For business quality printing at home or in the office – Brother is offering with the HL-1030,1230 type laser printer an ideal low cost printer with 10 to 14ppm printing speed. Based on the same model Brother has designed a number of similar devices for printing speeds up to 28ppm at 600 to 1200dpi whereof many have built-in features such as duplex-mode, networking capability, scanner, fax and automatic document feeder. Brother is completing this line of powerful devices for the SOHO market with the fax models 8350P and 8750P.

With the new Brother TN-3060, 6600, 7600 Universal Cartridge CROSS Imaging Supplies is offering a 100 % New-Built and patent-free toner cartridge that is compatible with all these and many more models. Due to its OEM-equivalent performance at substantially lower cost this toner is therefore not only enlarging CROSS's range of premium quality toner for use in Brother laser printers but also provides to distributors and dealers an excellent business opportunity without compromising on quality.

## Advantages & Benefits

- ▶ Stable and high performance as well as image quality.
- ▶ Produces more prints than comparable OEM cartridge.
- ▶ Totally new built cartridge (only new parts are used).
- ▶ 100 % patent-free and consistent high quality.
- ▶ Customized labelling on request.
- ▶ Packed in single carton or in bulk-pack carton.
- ▶ Competitively priced product.
- ▶ Technically supported by the manufacturer.
- ▶ Deliverable from Singen/Germany warehouse.
- ▶ Selective distribution through competent reseller only.
