

NEW Universal Toner

Cartridge for use in Samsung ML-1500, 1510, 1520, 1710, 1740, 1750, 1755 ...

The Samsung ML-1710 represents one of this OEMs most successful and most populated monochrome laser printer model. Due to its aggressive price and performant 17ppm output at 600dpi this machine is ideally made for the home and small workgroup environment. Similar models are the versatile and productive Samsung digital printer/copier SCX-4100 and the SCX-4116 flatbed MFP as well as a number of other Samsung, Xerox and Ricoh devices derived from the same line.

With the new Samsung ML-1710 Universal Cartridge CROSS Imaging Supplies is offering a 100 % New-Built and patent-free toner cartridge that is compatible with all these and many more models. Due to its OEM-equivalent performance at substantially lower cost this toner cartridge is not only enlarging CROSS's range of quality toner for use in Samsung copiers/printers but also provides to distributors and dealers an excellent business opportunity without compromising on quality.

Advantages & Benefits

- ▶ Stable and high performance as well as image quality
- ▶ Produces more prints than comparable OEM cartridge
- ▶ 100 % patent-free and consistent high quality
- ▶ Also available with Xerox, Ricoh and Lexmark labels
- ▶ Customized labelling on request
- ▶ Packed in single carton or in bulk-pack carton
- ▶ Competitively priced product
- ▶ Technically supported by the manufacturer
- ▶ Deliverable from Singen Warehouse
- ▶ Selective distribution through competent reseller only
