Ideal for small and mid-sized workgroups that want great performance, excellent paper handling and an all-round robust design. With the new redesigned Lexmark T650 Series a new series of reliable and cost efficient laserprinter has become available that bring quality and performance to truly impressive levels.

Up to 43ppm, first page out as fast as 7.5 seconds, impressive print quality, up to 1200 x 1200dpi, a 500MHz processor and 128MB of memory as standard. By using CROSS's compatible toner for recycling that cartridge printing cost can be reduced significantly without compromising on quality. So why not to use our premium quality compatible bulk toner for the recycling of these cartridges?
