

## TONER FOR USE IN

Ricoh Aficio MP-C3003SP,C3503SP  
Lanier MP-C3003SP,C3503SP  
Savin MP-C3003SP,C3503SP

With the MP-C3003SP and MP-C3503SP multifunctional copiers Ricoh has introduced two colour devices that provide high-quality A4 colour-output at high-impact 1200x1200dpi resolution up to 30 respectively 35ppm. With their wide range of paper- and finishing options, warm-up time of 9 seconds and first-copy-time (full colour) of only 7.1 seconds these two devices are increasing flexibility and productivity of any office work group.

Both of these multifunctionals are featuring flexible printing/copying on paper sizes from A6 the way up on paper weighted from 52 to 300gm2. A wide range of Scan-To options offers the ability to distribute documents from these MFPs without even printing a copy. The easy maintenance design reduces downtime of these highly efficient multifunctionals.

Printing-cost of these devices can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (engineered in Japan) which is also compatible with the equivalent Lanier and Savin machines.
