

## TONER FOR USE IN

Ricoh MP-301SP, 301SF, 301SPF  
(type MP301E)

Lanier MP-301SPF

The Ricoh MP-301SP, 301SF and 301SPF are fast black-and-white A4 Multifunctionals with output-speeds of 30ppm and are featuring a compact design. All three devices offer advanced print, copy, scan and fax functions that are available via a large 4,3 inch colour touch panel. These innovative and compact machines can easily replace several single-function devices and improve your workflow.

Printing-cost of these devices can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies Premium Quality Universal Toner (made in Japan) which is also compatible with the equivalent Lanier machines. The toner is deliverable as finished product in cartridges and as bulk in drums and cartons for local filling and refilling of empty OEM cartridges.

### ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Patent-Free cartridge
- Sourced directly from the manufacturer
- Also as bulk toner (RI-16) available for local filling
- Technically supported by the toner manufacturer
- Competitively priced premium quality product
- Deliverable from Warehouse in Rotterdam/Netherlands
- Free of charge samples for testing
- Selective distribution through competent reseller only
