TONER FOR USE IN

HP LaserJet Flow Pro M102, M130, M132, M134 (type CF217A, 17A)

With the LaserJet Flow Pro M102, M130, M132, M134... series A4 monochrome Laser-Printer and MFP's HP has launched a series of very compact and efficient devices with up to 23ppm output speeds at up to 1200x1200dpi for individuals and small workgroups. The first documents can be grabed in as fast as 7,3 seconds.

These new energy saving and competitively priced machines are made to produce documents from a range of mobile devices (such as iPhone, iPad and others by using AirPrint or HPePrint) without accessing the company network.

Printing-cost of all of these devices can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible bulk-toner (engineered in Japan) which is deliverable in cartons of 2 x10kgs and drums of 80kgs.

ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Sourced directly from the manufacturer
- Technically supported by the toner manufacturer

- Competitively priced premium quality product
- Deliverable from Warehouse in Rotterdam
- Free of charge samples for testing
- Selective distribution through competent reseller only

TECHNICAL FEATURES

FEATURES	HP	CROSS
