

# TONER FOR USE IN

Kyocera-Mita ECOSYS P3055DN, P3060DN  
(type TK-3190)

For smaller workgroups that require a compact, flexible and easy to use multifunctional device, Kyocera Mita has launched with the ECOSYS P3055DN and P3060DN Multifunctionals two new compact and flexible devices which form the ideal solution for medium size workgroups.

These models provide output speeds of 55 to 60 pages per minute in A4 and A5 and are designed to maximize workflow efficiency in a very reliable and cost-efficient way. With advanced functionality and first time to copy of 5,9 seconds users get high speed and workflow efficiency.

Printing-cost of these devices can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in Japan).

## ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Sourced directly from the manufacturer
- With Chip
- Also as bulk toner (code ED-43) available for local filling.
- Technically supported by the toner manufacturer.
- Competitively priced premium quality product
- Deliverable from Warehouse near Stuttgart/Germany
- Free of charge samples for testing
- Selective distribution through competent reseller only
