

TONER FOR USE IN

Canon iR-C7565, C7570, C7580
(type C-EXV52, GPR-56)

The new Canon ImageRunner Advance C7565, C7570 and C7580 colour multifunctionals are built for high print volumes and offer excellent productivity and colour quality for business applications. With their versatile finishing options they are an ideal investment and a valuable addition where high productivity counts.

All three devices provide high-end colour and B&W A3 output in excellent colour quality at 65 and 70 ppm. Print, copy, scan, send store and optional fax functionality as well as professional finishing options and optional EFI fiery controllers complete these powerful Multifunctionals.

Printing-cost of these multifunctionals can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner and carrier (Made in Japan) which are already pre-mixed in the finished product.

ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
