

TONER FOR USE IN

Kyocera Mita TASKalfa 7002i, 8002i
(type TK-6725)

The Kyocera Mita TASKalfa 7002i, and 8002i are high-speed A4 capable Multifunctional monochrome devices designed to print, copy and scan at output-speeds of 70 ppm/35 ppm respectively 80 ppm/40 ppm in A4/A3 format at 1200 x 1200 dpi. With its advanced paper handling and finishing capabilities these two MFPs are ideal for very busy office environments or central printing departments.

These devices are very flexible, highly productive and reliable and offer individual paper handling options, including booklet and tri-folding, as well as mobile printing and colour scanning and comprehensive security functions. The longlife components reduce the total cost of ownership.

Printing-cost and total cost of ownership of these powerful production devices can be significantly reduced further without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in Japan).
