NEW PRODUCT

The Konica Minolta Bizhub C258, C308 and C368 as well as the higher speed C455, C558 and C658 are powerful multifunctional printer providing printing-speeds high-quality A4 and A3 prints at printing-speeds of 25ppm up to 65pp in color/b&w. All these devices are optimised for use in workgroup setting and offer cost-effective printing and high-quality output.

All of these devices are equipped with the latest generation multitouch panel, customization options, intuitive interface and features for economical and ecolological printing, such as induction heating and low power consumption. Wide scanning and versatile finishing options as well as other smart options make these machines and the equivalent Develop brand machines to highly efficient and productive devices that seamless integrate in any production or large office environment.

Printing-cost of these devices can be reduced significantly without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality remanufactured Drum-Unit which are perfectly matching not only with the OEM toner but also with CROSS Imaging-Supplies Premium Compatible Toner which are deliverable in patent-free cartridges and in bulk also for local filling.

ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Remanufactured in Korea according to ISO 9001 and ISO 14000
- RoHs, WEE and IP- compliant
- Japanese Long-Life OPC (Mitsubishi) and New Corona-Grid
- Perfectly matching with our Premium Compatible Toner
- Competitively priced premium quality product
- On request also in neutral cartons deliverable
- Deliverable from Warehouse in Singen/DE
- Discounted samples for testing.
- Selective distribution through competent reseller only.
