

TONER FOR USE IN

Canon iR-C3025i
(type C-EXV54)

The new Canon ImageRunner Advance iR-C3025 A3 colour Multifunctional is easy to use and built to fit into any small type office and ideal for reducing the administrative cost due to lower maintenance cost.

Trusted security features such as the password protection option ensure that information remain safe. Thanks to mobile printing and scanning capabilities this device is not only supporting new ways of working but effectively is promoting them. The new device was launched in 2017. With printing speeds of 25ppm (A4) and 20ppm (A3) at 1200x1200 dpi it's increasing productivity and provides exceptional quality output.

Printing-cost of these multifunctionals can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner which are well tested and ensure OEM equivalent printing.
