

TONER FOR USE IN

Kyocera Mita ECOSys M3800, M3860, P3260
(type TK-3200)

Packed with high productivity features the Kyocera Mita ECOSys M3800 and M3860 B&W Multifunctionals and P3260 B&W Laser-printer are very compact and affordable A4 machines for medium-size and large departments or workgroups that need powerful printing at low cost. All of these devices have a short warm-up time of approx 25 seconds and provide high-quality A4 output at 1200x1200 dpi resolution and printing-speeds of 60ppm in normal and duplex-mode.

Their intuitive Smart Operation Panel is easy to use and allows to manage documents directly from the panel. Due to their compact design they can be placed easily and used as standalone multifunctional or - thanks to it's high monthly duty cycle and large 500 sheet paper tray - integrated with print management software (MPS) where working power is ensured.

Printing-cost of these devices can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (engineered in Japan). Don't miss that opportunity to reduce printing cost and support your dealers in maximizing their margin while staying competitive.

ADVANTAGES & BENEFITS
