Toner for use in

Kyocera-Mita FS-1035, 1035MFP, 1135, 1135MFP (type TK-1140)

The FS-1035, 1135 printer and their multifunctional versions are compact A4 monochrome devices with print- and copy-speeds of up to 37ppm and monthly duty-cycles of 20 000 prints. Their exceptional functionality will increase productivity of any office-work-group.

Both multifunctionals are featuring a large capacity document processor that scans double-sided originals for enhanced document workflow as well as standard duplex and 300 sheet paper-capacity. Print, copy, scan and fax are standard functionalities of the 1035MFP and 1135MFP. When it comes to printing cost and durability these printer/MFP's are relatively cheap to operate and very reliable as the drum-unit is supposed to last for the lifetime of the printer/MFP.

Printing-cost of these machines however can be further reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in Japan) which is also compatible with the equivalent UTAX machines.

Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Patent-Free cartridge with or without RF-Chip.
- ▶ Sourced directly from the manufacturer.
- ▶ Also as bulk toner available for local filling.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse near Stuttgart/Germany.
- ▶ Free of charge samples for testing.
- ▶ Selective distribution through competent reseller only.

Technical Features

Features	Kyocera-Mita (OEM)	CROSS
Part number	1TO2ML0NL0 (EU-Version)	PY440Y.240
Toner content/cartridge	1 x 240 grams net, incl. RF-Chip	1 x 240 grams net, with or without RF-Chip
Yield/cartridge at 5% coverage	7 200 pages	7 200 pages
