

TONER FOR USE IN

Toshiba E-Studio 205L, 255, 305, 355, 455
(type T-4530E)

The E-Studio 205L, 255, 305, 355 and 455 b&w multifunctional copiers are reliable, efficient and easy-to-use devices delivering scans and copies in A4 and A3 format and a copy/print speeds of from 20ppm up to 45ppm at 600x600dpi. All of these devices offer a high level of productivity thanks to the optimal combination of smart digital features and flexible paper handling.

From the entry level E-Studio 205L to the faster 355 and 455 these MFPs were designed to comply with leading environmental standards. The machines are featuring Toshiba's unique toner recycling system that ensures all toner is used-up with no waste. Consumables are designed to last longer and thus, reducing the frequency of periodic maintenance. The easily replaceable units are designed to maintenance time and increase productivity.

Printing-cost of these devices can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (engineered in Japan),
