

## TONER FOR USE IN

Toshiba E-Studio 207L, 257, 307, 357, 457, 507  
(type T-5070E)

The E-Studio 207L, 257, 307, 357, 457 and 507 b&w multifunctional copiers are compact stylish devices delivering scans and copies in A4 and A3 format and a copy/print speeds of from 20ppm up to 50ppm at 600x600dpi. All of these devices offer a high level of productivity thanks to the optimal combination of smart digital features and flexible paper handling.

From the entry level E-Studio 207L to the highly productive 457 and 507 these MFPs were designed to comply with leading environmental standards. The optional Energy Manager software optimises the energy consumption of these devices and the built-in standard-features such as energy save modes or duplex-printing not only help save natural resources but directly convert into money saving.

Printing-cost of these devices can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (engineered in Japan).

### ADVANTAGES & BENEFITS
