

TONER FOR USE IN

Toshiba E-Studio 2505, 2505F, 2505H
(type T-2505E)

The E-Studio 2505, 2505F and 2505H b&w multifunctional copiers are compact devices delivering scans and copies in A4 and A3 format and a copy/print speeds of 25ppm and a short warm-up-time of approximately 20 seconds only. These energy saving and environmental friendly models are ideal for users who mainly print A4 but occasionally wish to print in A3 format also.

With a footprint approximately two-thirds the size of the predecessor A3 format capable MFP's only these three devices can replace them easily for any of the given tasks and be installed as a standalone machine or integrated in a workgroup or in a MPS environment.

Printing-cost of these devices can be substantially reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (engineered in Japan).

ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Patent-Free cartridge
- Sourced directly from the manufacturer
- Also as bulk toner (type RI-64V2) for local filling/re-filling
